Dear Supervisors:

**ISSUANCE AND SALE OF INGLEWOOD UNIFIED SCHOOL DISTRICT
(COUNTY OF LOS ANGELES, CALIFORNIA)
GENERAL OBLIGATION BONDS, 1998 ELECTION, 2003 SERIES C
(SECOND DISTRICT) (3-VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the Resolution authorizing the issuance and sale of general obligation bonds of the Inglewood Unified School District in an aggregate principal amount not to exceed \$40,000,000.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

The Governing Board of the Inglewood Unified School District adopted a resolution on August 13, 2003 and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$40 million to be used for authorized purposes.

On November 3, 1998, an election was held whereby qualified voters of the District approved the proposition authorizing the District to issue \$131,000,000 in general obligation bonds in order to construct and improve school facilities throughout the District. This is the third issuance of bonds authorized under this bond measure. The first two series was sold in an aggregate principal amount of \$40 million.

Pursuant to Section 15140 of the Education Code, the Board of Supervisors is responsible for offering the District's bonds for sale. Such bonds shall be issued in the name and on behalf of such school district by the Board of Supervisors of the County of Los Angeles following receipt of the District resolution requesting such borrowing.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal of Service Excellence by providing one stop service delivery to the school district. It supports the Strategic Plan Goal of Organizational Effectiveness through collaborative actions among County departments and other governmental jurisdictions. And, it supports the Strategic Plan Goal of Fiscal Responsibility by providing investment in and development of public school infrastructure in this County.

FISCAL IMPACT/FINANCING

None to the County. All debt will be paid by the District.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The Resolution provides for the issuance of bonds at an interest rate that shall not exceed 7.0% per annum. The final structure will be determined at the time of pricing to achieve the lowest cost of borrowing within the limits of the proposition's tax levy. Final maturity of the bonds shall not exceed twenty-five years. Provisions for optional redemption of these bonds will be described in the Purchase Contract.

The Resolution provides for the negotiated sale of the bonds, with participation by the Treasurer and Tax Collector in the pricing of the bonds, to the Underwriter. The District has selected Siebert Brandford Shank & Co., LLC as Underwriter; and Fulbright and Jaworski LLP as Bond Counsel.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

(b) Interest on each Current Interest Bond shall accrue from its dated date as set forth in the Contract of Purchase. Interest on Current Interest Bonds shall be computed using a year of 360 days comprised of twelve 30-day months and shall be payable on each Interest Payment Date to the Owner thereof as of the close of business on the Record Date. Interest with respect to each Current Interest Bond will be payable from the Interest Payment Date next

SECTION 10. Description of Capital Appreciation Bonds.

(a) The Bonds issued as Capital Appreciation Bonds, if any, shall be issued in fully registered form in any denominations of their Principal Amounts but shall reflect denominations of \$5,000 Maturity Amount or any integral multiple thereof, except that one such Bond may reflect an irregular denomination. The Capital Appreciation Bonds shall be dated as of the date of their issuance, shall be issued in the aggregate Principal Amounts, shall mature on the dates, in the years and in the Maturity Amounts, and shall accrete interest with the yields to maturity, all as set forth in the Contract of Purchase.

(b) Interest on each Capital Appreciation Bond, if any, shall be compounded semiannually on April 1 and October 1 of each year until maturity, or as otherwise set forth in the Contract of Purchase, commencing on the date set forth in the Contract of Purchase, computed using a year of 360 days comprised of twelve 30-day months and shall be payable only at maturity as part of the Maturity Amount.

SECTION 11. Book-Entry System.

(a) The Bonds shall be initially issued in the form of a separate single fully registered Bond (which may be typewritten) for each of the maturities of the Bonds within each series. Upon initial issuance, the ownership of each such Bond certificate shall be registered in the Bond Register in the name of the Nominee as nominee of the Depository. Except as provided in subsection (c) hereof, all of the Outstanding Bonds shall be registered in the Bond Register in the name of the Nominee and the Bonds may be transferred, in whole but not in part, only to the Depository, to a successor Depository or to another nominee of the Depository or of a successor Depository. Each Bond certificate shall bear a legend substantially to the following effect: "UNLESS THIS BOND IS PRESENTED BY AN AUTHORIZED UNDERWRITER OF THE DEPOSITORY (AS DEFINED IN THE RESOLUTION) TO THE BOND REGISTRAR FOR REGISTRATION OF TRANSFER, EXCHANGE, OR PAYMENT, AND ANY BOND ISSUED IS REGISTERED IN THE NAME OF CEDE & CO. OR IN SUCH OTHER NAME

AS IS REQUESTED BY AN AUTHORIZED UNDERWRITER OF THE DEPOSITORY (AND ANY PAYMENT IS MADE TO CEDE & CO. OR TO SUCH OTHER ENTITY AS IS REQUESTED BY AN AUTHORIZED UNDERWRITER OF THE DEPOSITORY), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL INASMUCH AS THE REGISTERED OWNER HEREOF, CEDE & CO., HAS AN INTEREST HEREIN.”

With respect to Bonds registered in the Bond Register in the name of the Nominee, the County and the District shall have no responsibility or obligation to any Participant or to any person on behalf of which such a Participant holds a beneficial interest in the Bonds. Without limiting the immediately preceding sentence, the County and the District shall have no responsibility or obligation with respect to (i) the accuracy of the records of the Depository, the Nominee or any Participant with respect to any beneficial ownership interest in the Bonds, (ii) the delivery to any Participant, beneficial owner or any other person, other than the Depository, of any notice with respect to the Bonds, including any redemption notice, (iii) the selection by the Depository and the Participants of the beneficial interests in the Bonds to be redeemed in part, or (iv) the payment to any Participant, beneficial owner or any other person, other than the Depository, of any amount with respect to Principal of, premium, if any, and interest on the Bonds. The County and the District may treat and consider the person in whose name each Bond is registered in the Bond Register as the holder and absolute Owner of such Bond for the purpose of payment of Principal of, premium, if any, and interest on such Bond, for the purpose of giving Redemption Notices and other notices with respect to such Bond, and for all other purposes whatsoever, including, without limitation, registering transfers with respect to the Bonds.

The Paying Agent shall pay all Principal of, premium, if any, and interest on the Bonds only to the respective Bond Owners, as shown in the Bond Register, and all such payments shall be valid hereunder with respect to payment of Principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No person other than a Bond Owner, as shown in the Bond Register, shall receive a Bond evidencing the obligation to make payments of Principal of, premium, if any, and interest, pursuant to this Resolution. Upon delivery by the Depository to the Paying Agent and the County of written notice to the effect that the Depository has determined to substitute a new nominee in place of the Nominee, and subject to the provisions hereof with respect to Record Dates, the word Nominee in this Resolution shall refer to such new nominee of the Depository.

(b) If at any time the Depository notifies the County and the District that it is unwilling or unable to continue as Depository with respect to the Bonds or if at any time the Depository shall no longer be registered or in good standing under the Securities Exchange Act or other applicable statute or regulation and a successor Depository is not appointed by the Treasurer within 90 days after the County and the District receive notice or become aware of such condition, as the case may be, subsection (a) hereof shall no longer be applicable and the Treasurer shall issue bonds representing the Bonds as provided below. In addition, the County and the District may determine at any time that the Bonds shall no longer be represented by book-entry securities and that the provisions of subsection (a) hereof shall no longer apply to the Bonds. In any such event the Treasurer shall execute and deliver certificates representing the Bonds as provided below. Bonds issued in exchange for book-entry securities pursuant to this subsection (c) shall be registered in such names and delivered in such denominations as the

Depository shall instruct the County and the District. The Treasurer shall deliver such bonds representing the Bonds to the persons in whose names such Bonds are so registered.

If the County and the District determine to replace the Depository with another qualified securities depository, the County and the District shall prepare or cause to be prepared a new fully registered book-entry security for each of the maturities of Bonds, registered in the name of such successor or substitute securities depository or its nominee, or make such other arrangements as are acceptable to the County, the District and such securities depository and not inconsistent with the terms of this Resolution.

(c) Notwithstanding any other provision of this Resolution to the contrary, so long as any Bond is registered in the name of the Nominee, all payments with respect to Principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, as provided in the Representation Letter or as otherwise instructed by the Depository.

(d) The initial Depository under this Resolution shall be DTC. The initial Nominee shall be Cede & Co., as nominee of DTC.

SECTION 12. Execution of the Bonds.

(a) The Bonds shall be executed in the name of the District by the County by the manual or facsimile signature of the Chair of the Board and the manual or facsimile signature of the Treasurer, and shall be countersigned by the manual or facsimile signature of the Executive Officer-Clerk of the Board or by a deputy of either of such officers. The County's seal (or a facsimile thereof) shall be impressed, imprinted, engraved or otherwise reproduced on each Bond. In case any one or more of the officers who shall have signed or sealed any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been issued by the County on behalf of the District, such Bonds may, nevertheless, be issued, as herein provided, as if the persons who signed or sealed such Bonds had not ceased to hold such offices. Any of the Bonds may be signed and sealed on behalf of the County by such persons as at the time of the execution of such Bonds shall be duly authorized to hold or shall hold the proper offices in the County, although at the date borne by the Bonds such persons may not have been so authorized or have held such offices.

(b) The Bonds shall bear thereon a certificate of authentication executed manually by the Paying Agent. Only such Bonds as shall bear thereon such certificate of authentication duly executed by the Paying Agent shall be entitled to any right or benefit under this Resolution and no Bond shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the Paying Agent. Such certificate of the Paying Agent upon any Bond shall be conclusive evidence that the Bond so authorized has been duly authenticated and delivered under this Resolution and that the Owner thereof is entitled to the benefit of this Resolution.

SECTION 13. Transfer and Exchange. The registration of any Bond may be transferred upon the Bond Register upon surrender of such Bond to the Paying Agent. Such Bond shall be

endorsed or accompanied by delivery of the written instrument of transfer shown in Exhibit A-1 or A-2 hereto, duly executed by the Owner or his duly authorized attorney, and payment of such reasonable transfer fees as the Paying Agent may establish. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations, will be executed and delivered to the transferee in exchange therefor.

The Paying Agent shall deem and treat the person in whose name any Outstanding Bond shall be registered upon the Bond Register as the absolute owner of such Bond, whether the Principal, premium, if any, or interest with respect to such Bond shall be overdue or not, for the purpose of receiving payment of Principal, premium, if any, and interest with respect to such Bond and for all other purposes, and any such payments so made to any such Owner or upon his order shall be valid and effective to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and the County, the District or the Paying Agent shall not be affected by any notice to the contrary.

Bonds may be exchanged at the office of the Paying Agent for Bonds of like tenor, maturity and Transfer Amount of other authorized denominations. All Bonds surrendered in any such exchange shall thereupon be cancelled by the Paying Agent. The Paying Agent may charge the Owner a reasonable sum for each new Bond executed and delivered upon any exchange (except in the case of the first exchange of any Bond in the form in which it is originally delivered, for which no charge shall be imposed) and the Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

The Paying Agent shall not be required to register the transfer or exchange of any Bond (i) during the period beginning at the close of business on any Record Date through the close of business on the immediately following Interest Payment Date, or (ii) that has been called or is subject to being called for redemption, during a period beginning at the opening of business 15 days before any selection of Bonds to be redeemed through the close of business on the applicable redemption date, except for the unredeemed portion of any Bond to be redeemed only in part.

SECTION 14. Bonds Mutilated, Destroyed, Stolen or Lost. In case any Bond shall become mutilated, the Paying Agent, at the expense of the Owner, shall deliver a new Bond of like date, interest rate, maturity, Transfer Amount, series and tenor as the Bond so mutilated in exchange and substitution for such mutilated Bond, upon surrender and cancellation thereof. All Bonds so surrendered shall be cancelled. If any Bond shall be destroyed, stolen or lost, evidence of such destruction, theft or loss may be submitted to the Paying Agent and if such evidence is satisfactory to the Paying Agent that such Bond has been destroyed, stolen or lost, and upon furnishing the Paying Agent with indemnity satisfactory to the Paying Agent and complying with such other reasonable regulations as the Paying Agent may prescribe and paying such expenses as the Paying Agent may incur the Paying Agent shall, at the expense of the Owner, execute and deliver a new Bond of like date, interest rate, maturity, Transfer Amount and tenor in lieu of and in substitution for the Bond so destroyed, stolen or lost. Any new Bonds issued pursuant to this Section 14 in substitution for Bonds alleged to be destroyed, stolen or lost shall constitute original additional contractual obligations on the part of the District, whether or not the Bonds so alleged to be destroyed, stolen or lost are at any time enforceable by anyone, and shall be equally

secured by and entitled to equal and proportionate benefits with all other Bonds issued under this Resolution in any moneys or securities held by the Paying Agent for the benefit of the Owners of the Bonds.

SECTION 15. Bond Register. The Paying Agent shall keep or cause to be kept at its office sufficient books for the registration and registration of transfer of the Bonds. Upon presentation for registration of transfer, the Paying Agent shall, as above provided and under such reasonable regulations as it may prescribe subject to the provisions hereof, register or register the transfer of the Bonds, or cause the same to be registered or cause the registration of the same to be transferred, on such books.

SECTION 16. Unclaimed Money. All money which the Paying Agent shall have received from any source and set aside for the purpose of paying or redeeming any of the Bonds shall be held in trust for the respective Owners of such Bonds, but any money which shall be so set aside or deposited by the Paying Agent and which shall remain unclaimed by the Owners of such Bonds for a period of one year after the date on which any payment or redemption with respect to such Bonds shall have become due and payable shall be transferred to the General Fund of the District; provided, however, that the Paying Agent, before making such payment, shall cause notice to be mailed to the Owners of such Bonds, by first class mail, after a date in said notice, which date shall not be less than thirty (30) days after the date of mailing such notice. The Owners of such Bonds shall look only to the General Fund of the District for payment of such Bonds.

SECTION 17. Application of Proceeds. Upon the sale of the Bonds, the Treasurer is hereby directed to deposit or cause to be deposited the proceeds thereof, exclusive of accrued interest and any premium, into the fund established for the account of the District and designated as the "Inglewood Unified School District General Obligation Building Fund Series C" which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other accounts held hereunder. The District shall, from time to time, disburse from the General Obligation Building Fund Series C to pay the Project Costs. Amounts in the General Obligation Building Fund Series C shall be invested so as to be available for the aforementioned disbursements. The District shall keep a written record of disbursements from the General Obligation Building Fund Series C.

Any amounts that remain in the General Obligation Building Fund Series C at the completion of the Projects shall be transferred to the Debt Service Fund to be used to pay the Principal of, premium, if any, and interest on the Bonds, subject to any conditions set forth in the Tax Certificate.

SECTION 18. Payment and Security for the Bonds. The Board shall annually at the time of making the levy of taxes for County purposes, levy a continuing direct *ad valorem* tax for the Fiscal Year upon the taxable property in the District in an amount at least sufficient, together with moneys on deposit in the Debt Service Fund and available for such purpose, to pay the Principal of, premium, if any, and interest on each Bond as each becomes due and payable in the next succeeding Bond Year. The tax levy may include an allowance for an annual reserve, established for the purpose of avoiding fluctuating tax levies. The County, on behalf of the District, hereby pledges as security for the Bonds and the interest thereon, and the Treasurer is

directed to deposit or cause to be deposited in the District's Debt Service Fund, the proceeds from the levy of the aforementioned tax which the County receives (the "Pledged Moneys"). The Pledged Moneys shall be used to pay the Principal of, premium, if any, and interest on the Bonds when and as the same shall become due and payable. The Bonds are the general obligations of the District and do not constitute an obligation of the County except as provided in this Resolution and in the Education Code of the State. No part of any fund or account of the County is pledged or obligated to the payment of the Bonds or the interest thereon.

SECTION 19. Debt Service Fund.

(a) The County is hereby directed to deposit or cause to be deposited any accrued interest and any premium received by the County from the sale of the Bonds in the fund established for the account of the District and designated as the "Inglewood Unified School District 1998 Election General Obligation Bonds, Debt Service Fund" (the "Debt Service Fund") to be administered by the County and used only for the payment of the Principal of, premium, if any, and interest on the Bonds and any other bonds of the District issued under and pursuant to the Authorization.

(b) All Pledged Moneys shall be deposited upon collection by the County into the Debt Service Fund and used for the payment of the Principal of, premium, if any, and interest on the Bonds and any other bonds of the District issued under and pursuant to the Authorization.

(c) On the Business Day immediately preceding each Interest Payment Date, if the Paying Agent is not the Treasurer, and on the Interest Payment Date if the Paying Agent is the Treasurer, the District shall transfer or cause to be transferred from the Debt Service Fund to the Paying Agent, an amount, in immediately available funds, sufficient to pay all the Principal of, premium, if any, and interest on the Bonds (collectively, the "Debt Service") on such Interest Payment Date. Debt Service on the Bonds shall be paid by the Paying Agent in the manner provided by law for the payment of Debt Service.

(d) The District shall cause moneys to be transferred to the extent needed to comply with the Tax Certificate. Any amounts on deposit in the Debt Service Fund when there are no longer any Bonds or other bonds issued under and pursuant to the Authorizing Law outstanding shall be transferred to the General Fund of the District subject to any conditions set forth in the Tax Certificate and any requirements of the Constitution or laws of the State.

SECTION 20. Establishment and Application of Excess Earnings Fund. There is hereby established in trust a special fund designated "Inglewood Unified School District 1998 Election General Obligation Bonds, Excess Earnings Fund Series C" (the "Excess Earnings Fund") which shall be administered by the County Office of Education for the account of the District and which shall be kept separate and apart from all other funds and accounts held hereunder. The District shall transfer, or cause to be transferred, moneys from the General Obligation Building Fund Series C to the Excess Earnings Fund in accordance with the provisions of the Tax Certificate. Amounts on deposit in the Excess Earnings Fund shall only be applied to payments made to the United States or otherwise transferred to other accounts or funds established hereunder in accordance with the Tax Certificate.

SECTION 21. Payments of Costs of Issuance. The District shall pay, or cause to be paid, Costs of Issuance using moneys disbursed from time to time, as appropriate, from the General Obligation Building Fund Series C.

SECTION 22. Establishment of Additional Funds and Accounts. If at any time it is deemed necessary or desirable by the District, the County Office of Education may establish additional funds under this Resolution and/or accounts within any of the funds or accounts established hereunder.

SECTION 23. Redemption. The Bonds shall be subject to redemption as provided in the Contract of Purchase.

SECTION 24. Selection of Bonds for Redemption. Whenever provision is made in this Resolution or in the Contract of Purchase for the redemption of the Bonds and less than all Outstanding Bonds are to be redeemed, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall select Bonds for redemption in inverse order of maturity within a series. Within a maturity, the Paying Agent shall select Bonds for redemption by lot. Redemption by lot shall be in such manner as the Paying Agent shall determine; provided, however, that the portion of any Current Interest Bond to be redeemed in part shall be in the Principal Amount of \$5,000 or any integral multiple thereof and the portion of any Capital Appreciation Bond to be redeemed in part shall be in the Maturity Amount of \$5,000 or any integral multiple thereof. The Accreted Value of such Capital Appreciation Bond shall be determined by reference to a schedule to be provided to the Paying Agent.

SECTION 25. Notice of Redemption. When redemption is authorized or required pursuant to this Resolution or the Contract of Purchase, the Paying Agent, upon written instruction from the District given at least 60 days prior to the Interest Payment Date designated for such redemption, shall give notice (a "Redemption Notice") of the redemption of the Bonds. Such Redemption Notice shall specify: (a) the Bonds or designated portions thereof (in the case of redemption of the Bonds in part but not in whole) which are to be redeemed, (b) the date of redemption, (c) the place or places where the redemption will be made, including the name and address of the Paying Agent, (d) the redemption price, (e) the CUSIP numbers (if any) assigned to the Bonds to be redeemed, (f) the Bond numbers of the Bonds to be redeemed in whole or in part and, in the case of any Bond to be redeemed in part only, the Principal Amount or Accreted Value, as appropriate, of such Bond to be redeemed, and (g) the original issue date, interest rate and stated maturity date of each Bond to be redeemed in whole or in part. Such Redemption Notice shall further state that on the specified date there shall become due and payable upon each Bond or portion thereof being redeemed the redemption price, together with the interest accrued to the redemption date in the case of Current Interest Bonds, and that from and after such date interest with respect thereto shall cease to accrue or accrete and be payable.

The Paying Agent shall take the following actions with respect to such Redemption Notice:

(a) At least 30 but not more than 45 days prior to the redemption date, such Redemption Notice shall be given to the respective Owners of Bonds designated for redemption by first class mail, postage prepaid, at their addresses appearing on the Bond Register.

(b) In the event that the Bonds shall no longer be held in book-entry only form, at least two days before the date of the notice required by clause (a) of this Section 25, such Redemption Notice shall be given by (i) first class mail, postage prepaid, (ii) telephonically confirmed facsimile transmission, or (iii) overnight delivery service, to each of the Securities Depositories.

Neither failure to receive any Redemption Notice nor any defect in any such Redemption Notice so given shall affect the sufficiency of the proceedings for the redemption of the affected Bonds. Each check issued or other transfer of funds made by the Paying Agent for the purpose of redeeming Bonds shall bear the CUSIP number identifying, by series and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

SECTION 26. Partial Redemption of Bonds. Upon the surrender of any Bond redeemed in part only, the Paying Agent shall execute and deliver to the Owner thereof a new Bond or Bonds of like tenor and maturity and of Authorized Denominations equal in Transfer Amounts to the unredeemed portion of the Bond surrendered. Such partial redemption shall be valid upon payment of the amount required to be paid to such Owner, and the County and the District shall be released and discharged thereupon from all liability to the extent of such payment.

SECTION 27. Effect of Notice of Redemption. Notice having been given as aforesaid, and the moneys for the redemption (including the interest to the applicable date of redemption) having been set aside in the Debt Service Fund, the Bonds to be redeemed shall become due and payable on such date of redemption.

If on such redemption date, money for the redemption of all the Bonds to be redeemed as provided in Section 23 hereof, together with interest to such redemption date, shall be held by the Paying Agent so as to be available therefor on such redemption date, and if notice of redemption thereof shall have been given as aforesaid, then from and after such redemption date, interest with respect to the Bonds to be redeemed shall cease to accrue and become payable. All money held by or on behalf of the Paying Agent for the redemption of Bonds shall be held in trust for the account of the Owners of the Bonds so to be redeemed.

All Bonds paid at maturity or redeemed prior to maturity pursuant to the provisions of Sections 23, 24 and 25 shall be cancelled upon surrender thereof and delivered to or upon the order of the County and the District. All or any portion of a Bond purchased by the County or the District shall be cancelled by the Paying Agent upon written notice by the County or the District given to the Paying Agent.

SECTION 28. Paying Agent, Appointment and Acceptance of Duties.

(a) The Board and the Treasurer hereby consent to and confirm the appointment of the Treasurer to act as Paying Agent for the Bonds under this Resolution. All fees and expenses incurred for services of the Paying Agent shall be the sole responsibility of the District. The District shall function as the dissemination agent and shall perform all duties and

obligations as set forth in the Continuing Disclosure Undertaking. The Paying Agent, if other than the Treasurer acting as Paying Agent, shall have a corporate trust office in Los Angeles, California.

(b) Unless otherwise provided, the office of the Paying Agent designated by the Paying Agent shall be the place for the payment of Principal of, premium, if any, and interest on the Bonds.

SECTION 29. Liability of Paying Agent. The Paying Agent makes no representations as to the validity or sufficiency of this Resolution or of any Bonds issued hereunder or as to the security afforded by this Resolution, and the Paying Agent shall incur no liability in respect hereof or thereof.

SECTION 30. Evidence on Which Paying Agent May Act. The Paying Agent, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Resolution, shall examine such instrument to determine whether it conforms to the requirements of this Resolution and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Paying Agent may consult with counsel, who may or may not be counsel to the County or the District, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it under this Resolution in good faith and in accordance therewith.

SECTION 31. Compensation. The District shall pay to the Paying Agent from time to time reasonable compensation for all services rendered under this Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Resolution. In no event shall the County be required to expend its own funds hereunder.

SECTION 32. Ownership of Bonds Permitted. The Paying Agent or the Underwriter may become the Owner of any Bonds.

SECTION 33. Resignation or Removal of Paying Agent and Appointment of Successor.

(a) The Paying Agent initially appointed hereunder may resign from service as Paying Agent and in the event the Treasurer selects a third party to perform the services of initial Paying Agent, the Treasurer may remove such Paying Agent or any subsequent Paying Agent as provided in the respective Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be a bank or trust company doing business in and having a corporate trust office in Los Angeles, California, with at least \$100,000,000 in net assets. The Paying Agent shall keep accurate records of all funds administered by it and of all Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County. Such successor Paying Agent shall signify the acceptance of its duties and obligations hereunder by executing and delivering to the County and the District, a written acceptance thereof. Resignation or

removal of the Paying Agent shall be effective upon appointment and acceptance of a successor Paying Agent.

(b) In the event of the resignation or removal of the Paying Agent, such Paying Agent shall pay over, assign and deliver any moneys held by it as Paying Agent to its successor, or, if there is no successor, the Treasurer shall remain the Paying Agent.

SECTION 34. Investment of Certain Funds. Moneys held in all funds and accounts established hereunder shall be invested and reinvested by the Treasurer in Authorized Investments to the fullest extent practicable as shall be necessary to provide moneys when needed for payments to be made from such funds or accounts, subject to any conditions set forth in the Tax Certificate. Nothing in this Resolution shall prevent any investment securities acquired as investments of funds held hereunder from being issued or held in book-entry form on the books of the Department of the Treasury of the United States. All investment earnings on amounts on deposit in the General Obligation Building Fund Series C, the Excess Earnings Fund and the Debt Service Fund shall remain on deposit in such funds.

SECTION 35. Valuation and Sale of Investments. Obligations purchased as an investment of moneys in any fund or account shall be deemed at all times to be a part of such fund or account. Profits or losses attributable to any fund or account shall be credited or charged to such fund or account. In computing the amount in any fund or account created under the provisions of this Resolution for any purpose provided in this Resolution, obligations purchased as an investment of moneys therein shall be valued at cost, plus, where applicable, accrued interest.

SECTION 36. Supplemental Resolutions With Consent of Owners. This Resolution, and the rights and obligations of the County, the District and of the Owners of the Bonds issued hereunder, may be modified or amended at any time by a Supplemental Resolution adopted by the County with the written consent of Owners owning at least 60% in aggregate Bond Obligation of the Outstanding Bonds, exclusive of Bonds, if any, owned by the County or the District; provided, however, that so long as the Bond Insurance Policy is in effect, and provided that the Bond Insurer complies with its obligations thereunder, the Bond Insurer shall be deemed to be the sole Owner of the Bonds for purposes of this sentence. Notwithstanding the foregoing, no such modification or amendment shall, without the express consent of the Owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, advance the earliest redemption date thereof, extend its maturity or the times for paying interest thereon or change the monetary medium in which Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification thereof or hereof. No such Supplemental Resolution shall change or modify any of the rights or obligations of any Paying Agent without its written assent thereto. Notwithstanding anything herein to the contrary, no such consent shall be required if the Owners are not directly and adversely affected by such amendment or modification.

SECTION 37. Supplemental Resolutions Effective Without Consent of Owners. For any one or more of the following purposes and at any time or from time to time, a Supplemental Resolution of the County may be adopted, which, without the requirement of consent of the Owners, shall be fully effective in accordance with its terms:

(a) To add to the covenants and agreements of the County or the District in this Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(b) To add to the limitations and restrictions in this Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with this Resolution as theretofore in effect;

(c) To confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by this Resolution, of any moneys, securities or funds, or to establish any additional funds, or accounts to be held under this Resolution;

(d) To cure any ambiguity, supply any omission, or cure to correct any defect or inconsistent provision in this Resolution; or

(e) To amend or supplement this Resolution in any other respect, provided such Supplemental Resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the Owners.

SECTION 38. Effect of Supplemental Resolution. Any act done pursuant to a modification or amendment so consented to shall be binding upon the Owners of all the Bonds and shall not be deemed an infringement of any of the provisions of this Resolution, whatever the character of such act may be, and may be done and performed as fully and freely as if expressly permitted by the terms of this Resolution, and after consent relating to such specified matters has been given, no Owner shall have any right or interest to object to such action or in any manner to question the propriety thereof or to enjoin or restrain the County or the District or any officer or agent of either from taking any action pursuant thereto.

SECTION 39. Defeasance. If all Outstanding Bonds shall be paid and discharged in any one or more of the following ways:

(1) by well and truly paying or causing to be paid the Principal of and interest on all Bonds Outstanding, and when the same become due and payable;

(2) by depositing with the Paying Agent, in trust, at or before maturity, cash which, together with the amounts then on deposit in the Debt Service Fund plus the interest to accrue thereon without the need for further investment, is fully sufficient to pay all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment; or

(3) by depositing with an institution to act as escrow agent selected by the District and approved by the County and which meets the requirements of serving as Paying Agent pursuant to Section 33, in trust, lawful money or noncallable direct obligations issued by the United States Treasury (including State and Local Government Series Obligations) or obligations which are unconditionally guaranteed by the United States of America and permitted under Section 149(b) of the Code and Regulations which, in the opinion of nationally recognized bond counsel, will not impair the exclusion from gross income for federal income tax purposes of interest on the Bonds, in such amount as will, together with the interest to accrue thereon

without the need for further investment, be fully sufficient, in the opinion of a verification agent satisfactory to the County, to pay and discharge all Bonds Outstanding at maturity thereof, including any premium and all interest thereon, notwithstanding that any Bonds shall not have been surrendered for payment;

then all obligations of the County, the District and the Paying Agent under this Resolution with respect to all Outstanding Bonds shall cease and terminate, except only the obligation of the Paying Agent to pay or cause to be paid to the Owners of the Bonds all sums due thereon, and the obligation of the District to pay to the Paying Agent amounts owing to the Paying Agent under Section 31 hereof.

SECTION 40. Bond Insurance. All or a portion of the Bonds may be sold with bond insurance or other form of credit enhancement, if the Treasurer, in consultation with the Underwriter and the District, determines that the savings to the District resulting from the purchase of such bond insurance exceeds the cost thereof.

The foregoing resolution was, on the ____th day of _____, 2003, adopted by the Board of Supervisors of the County of Los Angeles and ex-officio the governing body of all other special assessment and taxing districts, agencies and authorities for which said Board so acts.

The interest hereon is payable by check or draft mailed by first class mail to each registered owner, at his address as it appears on the registration books kept by the Paying Agent as of the Record Date.

[The Bonds of this issue are comprised of \$_____ Principal Amount of Current Interest Bonds, of which this Bond is a part (a "Current Interest Bond") and \$_____ Principal Amount of Capital Appreciation Bonds.] This Bond is issued by the County of Los Angeles (the "County") in the name of and on behalf of the District under and in accordance with the provisions of (i) Title 1, Division 1, Part 10, Chapter 1 of the California Education Code

(commencing with Section 15100) (the "Act") and (ii) Article XIII A of the California Constitution, and pursuant to that certain "Resolution of the Board of Supervisors of the County of Los Angeles, California Authorizing the Issuance and Sale of General Obligation Bonds, 1998 Election, 2003 Series C, of the Inglewood Unified School District in an Aggregate Principal Amount Not to Exceed \$40,000,000" adopted by the Board of Supervisors of the County on _____, 2003 (the "Resolution"). Reference is hereby made to the Resolution, a copy of which is on file at the office of the Treasurer of the County, for a description of the terms on which the Bonds are delivered, and the rights thereunder of the registered owners of the Bonds and the rights and duties of the Paying Agent, the County and the District, to all of the provisions of which the registered owner of this Bond, by acceptance hereof, assents and agrees. All capitalized terms used but not otherwise defined herein shall have the respective meanings set forth in the Resolution. The Bonds were authorized by a vote of 2/3 of the qualified electors of the District voting on the proposition at a general election held therein to determine whether such Bonds should be issued.

This Bond represents an obligation payable out of the interest and sinking fund of the District, the moneys for the payment of Principal hereof and interest and premium, if any, hereon shall be raised by taxation upon all of the taxable property in the District.

This Bond is issued in fully registered form and is nonnegotiable. Registration of this Bond is transferable by the registered owner hereof, in person or by his attorney duly authorized in writing, at the aforesaid offices of the Paying Agent, but only in the manner, subject to the limitations, and upon payment of the charges, provided in the Resolution and upon surrender and cancellation of this Bond. Upon such registration of transfer, a new Bond or Bonds, of like tenor and maturity in the same Transfer Amount and in authorized denominations will be issued to the transferee in exchange herefor. The District, the County and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, whether or not this Bond shall be overdue, and shall not be affected by any notice to the contrary.

Current Interest Bonds maturing on or before October 1, 20__ shall not be subject to redemption prior to their maturity dates. The rights and obligations of the County and of the owners of the Bonds may be modified or amended at any time by a supplemental resolution adopted by the County with the written consent of owners of at least 60% in aggregate principal amount of the Outstanding

Bonds, exclusive of Bonds, if any, owned by the County; provided, however, that no such modification or amendment shall, without the express consent of the registered owner of each Bond affected, reduce the Principal Amount of any Bond, reduce the interest rate payable thereon, extend its maturity or the times for paying interest thereon or change the monetary medium in which the Principal and interest is payable, nor shall any modification or amendment reduce the percentage of consents required for amendment or modification hereof.

A supplemental resolution of the County may be adopted, which, without the requirement of consent of the registered owners, shall be fully effective in accordance with its terms: (1) to add to the covenants and agreements of the County in the Resolution, other covenants and agreements to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (2) to add to the limitations and restrictions in the Resolution, other limitations and restrictions to be observed by the County or the District which are not contrary to or inconsistent with the Resolution as theretofore in effect; (3) to confirm as further assurance, any pledge under, and the subjection to any lien or pledge created or to be created by the Resolution, of any moneys, securities or funds, or to establish any additional funds or accounts to be held under the Resolution; (4) to cure any ambiguity, supply any omission, or cure or correct any defect or inconsistent provision in the Resolution; or (5) to amend or supplement the Resolution in any other respect, provided such supplemental resolution does not, in the opinion of nationally recognized bond counsel, adversely affect the interests of the owners.

If this Bond is called for redemption and the Principal Amount of this Bond, plus premium, if any, and accrued interest due hereon, are duly provided therefor as specified in the Resolution, then interest shall cease to accrue with respect hereto from and after the date fixed for redemption.

This Bond shall not become valid or obligatory for any purpose until the Certificate of Authentication hereon endorsed shall have been dated and executed manually by the Paying Agent.

IT IS HEREBY CERTIFIED, RECITED AND DECLARED, that an election was duly and legally called, held and conducted, and the notices thereof duly given, and the results thereof canvassed and declared in accordance with the provisions of the Act and that all of the proceedings of the Board of Education of the District and of the Board of Supervisors of the County in the matter of the issuance of this Bond were regular and in strict accordance with the provisions of the Act and of the Constitution of the State of California, and that the total bonded indebtedness of the District, including the issue of which this Bond is a part, does not exceed any limit prescribed by said Act.

**INGLEWOOD UNIFIED SCHOOL DISTRICT
GENERAL OBLIGATION BONDS,
1998 ELECTION, 2003 SERIES C**

[Sale Date]

Treasurer and Tax Collector
County of Los Angeles
Los Angeles, California

Board of Education
Inglewood Unified School District
Inglewood, California

Ladies and Gentlemen:

The undersigned (the "Underwriter") offers to enter into this Purchase Contract with the County of Los Angeles (the "County"), acting through its Treasurer and Tax Collector (the "County Treasurer"), and with the Board of Education of the Inglewood Unified School District (the "District"), acting through its Superintendent. The offer made hereby is subject to acceptance by the County and the District by execution and delivery of this Purchase Contract (the "Purchase Contract") to the Underwriter at or prior to 11:59 p.m., California time, on the date hereof, but it shall be irrevocable until such time as it is sooner accepted or rejected by the County and the District. Upon acceptance of this offer by the County and the District in accordance with the terms hereof, this Purchase Contract will be binding upon the County and the District and upon the Underwriter.

1. Purchase and Sale. Upon the terms and conditions and upon the basis of the representations, covenants and agreements hereinafter set forth, the Underwriter hereby agrees to purchase from the County for offering to the public, and the County hereby agrees, on behalf of the District, to sell to the Underwriter for such purpose, all (but not less than all) of the \$_____ aggregate original principal amount of the Inglewood Unified School District General Obligation Bonds, 1998 Election, 2003 Series C (the "Bonds"), at the Purchase Price of \$_____, which has been computed as the par amount of the Bonds (\$_____) plus net original issue premium thereon (\$_____), less underwriter's discount (\$_____), less premium for a policy of municipal bond insurance (\$_____), and less other costs of issuance of

the Bonds (\$_____) which the Underwriter agrees to pay pursuant to Section 10 hereof. The true interest cost for the Bonds is _____%.

2. The Bonds. The Bonds shall be issued pursuant to Section 15100 and following of the Education Code of the State of California, and in accordance with Resolution No. _____ of the Board of Education of the District (the "District Resolution"), adopted on _____, 2003, and the Resolution of the Board of Supervisors of the County, adopted on _____, 2003, relating to the Bonds (the "Resolution"). The Bonds shall conform in all respects to the terms and provisions set forth in the Resolution and in this Purchase Contract, including in Appendix A hereto.

The Bonds shall be issued as current interest bonds. The Bonds shall be dated as of their date of delivery, and shall mature on October 1 in each year, in the principal amounts, and pay interest at the rates, as shown in Appendix A. Interest on the Bonds shall be payable on April 1, 2004, and semiannually thereafter on April 1 and October 1 of each year.

The Bonds shall otherwise be as described in the Official Statement of the District with respect to the Bonds, dated the date hereof (the "Official Statement").

The Bonds shall be subject to optional and mandatory sinking fund redemption at the times and in the principal amounts shown in Appendix A.

The Bonds shall be insured by a municipal bond insurance policy to be issued by [Insurer] (the "Insurer").

The Bonds shall be in full book-entry form. One fully registered certificate for each maturity of the Bonds will be prepared and delivered as described in Section 9 hereof, registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, NY ("DTC"), and will be made available to the Underwriter for inspection at such place as may be mutually agreed to by the Underwriter and the District, not less than one (1) business day prior to the Closing Date, as defined in Section 9 hereof. The Underwriter shall order CUSIP identification numbers and the District shall cause such CUSIP identification numbers to be printed on the Bonds, but neither the failure to print such number on any Bond nor any error with respect thereto shall constitute cause for a failure or refusal by the Underwriter to accept delivery of and pay for the Bonds in accordance with the terms of this Purchase Contract.

3. Offering. The Underwriter hereby certifies that it has made a bona fide public offering of all the Bonds as of the date hereof at the prices shown in the table attached to Appendix A hereto. On or prior to the Closing Date, the Underwriter shall provide the District with information regarding the prices at which a representative portion of each maturity of the Bonds were sold to the public, in such form as the District may reasonably request, for purposes of determining the yield on the Bonds.

The County hereby ratifies, approves, and confirms the distribution of this Purchase Contract and the Resolution, and the District hereby ratifies, approves, and confirms the distribution of this Purchase Contract and the Preliminary Official Statement of the District with respect to the Bonds, dated _____, 2003 (together with the appendices thereto, any documents incorporated therein by reference, and any supplements or amendments thereto, the "Preliminary Official Statement"), in connection with the public offering and sale of the Bonds by the Underwriter.

The Underwriter hereby represents that it has received and reviewed the Preliminary Official Statement, and agrees that it will provide, consistent with the requirements of Municipal Securities Rulemaking Board ("MSRB") Rule G-32, for the delivery of a copy of the Official Statement to each customer who purchases any Bonds during the underwriting period (as such term is defined in MSRB Rule G-11), and to deliver a copy of the Official Statement to a national repository on or before the Closing Date, and otherwise to comply with all applicable statutes and regulations in connection with the offering and sale of the Bonds, including, without limitation, MSRB Rule G-32 and 17 CFR Section 240.15c2-12, promulgated by the Securities and Exchange Commission ("Rule 15c2-12").

The Underwriter hereby agrees that prior to the time the Official Statement is available, the Underwriter will send to any potential purchaser of the Bonds, upon request, a copy of the most recent Preliminary Official Statement. Such Preliminary Official Statement shall be sent by first class mail (or other equally prompt means) not later than the first business day following the date upon which each such request is received.

The District will deliver to the Underwriter within seven business days from the date hereof, up to 250 copies (as the Underwriter shall request) of the Official Statement of the District with respect to the Bonds, signed by the Superintendent of the District, dated as of the date hereof, substantially in the form of the Preliminary Official Statement with such changes thereto as shall be approved by the Underwriter.

4. Representations and Agreements of the County. The County represents to and agrees with the Underwriter that, as of the date hereof and as of the Closing Date:

(a) The County is a political subdivision duly organized and validly existing under the Constitution and general laws of the State of California.

(b) The County is duly authorized and has full legal right, power and authority to issue, sell and deliver the Bonds on behalf of the District, pursuant to the direction of the District contained in the District Resolution, and to provisions of the laws of the State of California.

(c) The County has full legal right, power and authority to enter into this Purchase Contract, to adopt the Resolution, and to observe and perform the covenants and agreements of this Purchase Contract and the Resolution required to be observed and performed by the County.

(d) The County has duly adopted the Resolution in accordance with the laws of the State; the Resolution is in full force and effect and has not been amended, modified or rescinded and all representations of the County set forth in the Resolution are true and correct on the date hereof; the County has duly authorized and approved the execution and delivery of the Bonds and this Purchase Contract, and the observance and performance by the County through its officers and agents of its covenants and agreements contained therein and herein required to have been observed or performed at or prior to the Closing, as defined in Section 9 hereof; and the County has complied, and will at the Closing be in compliance in all respects, with the obligations in connection with the issuance of the Bonds on its part contained in this Purchase Contract, the Resolution, and the Bonds.

(e) The Preliminary Official Statement as of its date does not, and the Official Statement as of its date will not, and if supplemented or amended, as of the date of any such supplement or amendment will not, solely with respect to the information contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures (as they relate to funds of the District held by the County Treasurer), contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading.

(f) To the best knowledge of the County, the execution and delivery of this Purchase Contract, the Bonds, and the adoption of the Resolution, and compliance with the provisions on the County's part contained herein will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the County is a party or is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the County under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument, except as may be created by this Purchase Contract and the Resolution.

(g) All authorizations, consents or approvals of, or registrations, if any, with any governmental authority or court necessary for the valid execution and delivery by the County of the Bonds and this Purchase Contract and the adoption of the Resolution will have been duly obtained or made prior to the execution and delivery of the Bonds; provided, however, that no representation is made by the County as to compliance with federal securities laws or state "blue sky" or similar securities laws of any state in connection with the offering, sale or issuance of the Bonds.

(h) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending with service of process completed on the County, or, to the best knowledge of the County, threatened against the County (i) affecting the existence of the County or the titles of officers of the County required to sign the Bonds or other documents in connection with the delivery of the Bonds to their respective offices, or seeking to prohibit, restrain or enjoin the execution and delivery of this Purchase Contract; (ii) seeking to affect the issuance of the Bonds; or (iii) in any material way contesting or affecting the validity or enforceability of the Bonds, the Resolution or this Purchase Contract, (iv) contesting the powers of the County or its authority to enter into, adopt or perform its obligations under any of the foregoing; or (v) seeking to restrain or enjoin the collection of the *ad valorem* tax authorized to be levied to pay the principal of and interest on the Bonds, or the application thereof.

(i) The County will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the "blue sky" or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate, and will use its best efforts to continue such qualification in effect so long as required for distribution of the Bonds; provided, however, that in no event will the County be required to take any action which would subject it to general or unlimited service of process in any jurisdiction in which it is not now so subject. Compliance with "blue sky" laws shall be the sole responsibility of the Underwriter.

(j) Solely as to information contained in the Official Statement provided by the County describing the County's investment policy, current portfolio holdings, and valuation procedures, if between the date of this Purchase Contract and the end of the Underwriting Period as defined in Section 5(m), an event occurs, of which the County has or reasonably should have knowledge, which could cause said information, as then supplemented or amended, to contain an untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make such statements made therein, in the light of the circumstances under which it was presented, not misleading, the County will notify the Underwriter and the District.

5. Representations and Agreements of the District. The District represents to and agrees with the Underwriter that, as of the date hereof and as of the Closing Date:

(a) The District is a unified school district duly organized and validly existing under the Constitution and general laws of the State of California.

(b) The District has full legal right, power and authority to enter into this Purchase Contract and the Continuing Disclosure Undertaking of the District with respect to the Bonds, in substantially the form attached as Appendix D to the Preliminary Official Statement (the "Continuing Disclosure Undertaking"), to adopt the District Resolution and to distribute the Official Statement, and to observe and perform the covenants and agreements of this Purchase Contract, the Continuing Disclosure Undertaking and the District Resolution, to be observed and performed by the District.

(c) The District has duly adopted the District Resolution in accordance with the laws of the State; the District Resolution is in full force and effect and has not been amended, modified or rescinded, and all representations of the District set forth in the Resolution are true and correct; the District has duly authorized and approved the execution and delivery of the Bonds and this Purchase Contract, and the observance and performance by the District through its officers and agents of its covenants and agreements contained therein required to have been observed or performed at or prior to the Closing; and the District has complied, and will at the Closing be in compliance in all respects, with the obligations in connection with the issuance of the Bonds on its part contained in this Purchase Contract, the District Resolution, and the Bonds.

(d) The District represents to the Underwriter that the Preliminary Official Statement has been "deemed final" by the District as of its date within the meaning of paragraph (a)(2) of Rule 15c2-12, except for the omission of some or all of such information the omission of which is permitted under Rule 15c2-12.

(e) The Preliminary Official Statement as of its date does not, and the Official Statement as of its date will not, contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading; in each case excluding therefrom any information contained therein relating to DTC or its book-entry only system, information contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures (as they relate to funds of the District held by the County Treasurer), information provided by the Underwriter concerning the reoffering of the Bonds, and information relating to the Insurer or the municipal bond insurance policy to be issued thereby insuring payment on the Bonds, as to all of which the District expresses no view.

(f) The District will undertake, pursuant to the District Resolution and the Continuing Disclosure Undertaking, to provide certain annual financial information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Official Statement and will also be set forth in the Official Statement.

(g) The District has, and has had, no financial advisory relationship with the Underwriter with respect to the Bonds, nor with any investment firm controlling, controlled by or under common control with the Underwriter.

(h) To the best knowledge of the District, the execution and delivery of this Purchase Contract, the Continuing Disclosure Undertaking, the District Resolution and the Bonds, the approval of the Official Statement and compliance with the provisions on the District's part contained herein will not conflict with or constitute a breach of or default under any law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the District is a party or is otherwise subject, nor will any such execution, delivery, adoption or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the properties or assets of the District under the terms of any such law, administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument.

(i) Except as may be required under "blue sky" or other securities laws of any state, or has already been obtained, and except for actions of the parties hereto, there is no consent, approval, authorization, other order of, or certification by, any regulatory authority having jurisdiction over the District required for the issuance, sale or validity of the Bonds or performance by the District of its obligations under the Purchase Contract, the District Resolution, or the Continuing Disclosure Undertaking.

(j) Except for litigation disclosed in the Preliminary Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, governmental agency, public board or body, pending with service of process completed on the District, or, to the best knowledge of the District, threatened against the District (i) affecting the existence of the District or the titles of its officers required to approve or sign documents necessary for the delivery of the Bonds to their respective offices, or seeking to prohibit, restrain or enjoin the execution and delivery of the Continuing Disclosure Undertaking or this Purchase Contract; (ii) seeking to affect delivery of the Bonds; (iii) in any material way contesting or affecting the validity or enforceability of the Bonds, the District Resolution, the Continuing Disclosure Undertaking or this Purchase Contract, (iv) contesting the powers of the District or its authority to enter into, adopt or perform its obligations under any of the foregoing, or contesting in any material way the completeness or accuracy of the Preliminary Official Statement or the Official Statement, or any amendment or supplement thereto; or (v) seeking to restrain or enjoin the collection of the *ad valorem* tax authorized to be levied to pay the principal of and interest on the Bonds, or the application thereof.

(k) The District will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the "blue sky" or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate, and will use its best efforts to continue such qualification in effect so long as required for

distribution of the Bonds; provided, however, that in no event will the District be required to take any action which would subject it to general or unlimited service of process in any jurisdiction in which it is not now so subject. Compliance with "blue sky" laws shall be the sole responsibility of the Underwriter.

(l) If between the date of this Purchase Contract and the Closing Date an event occurs, of which the District has or reasonably should have knowledge, which could cause the information relating to the Bonds, the security for the Bonds, or the District, its functions, duties and responsibilities contained in the Official Statement, as then supplemented or amended, to contain an untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make such information therein, in the light of the circumstances under which it was presented, not misleading, or if the County gives notice of an event pursuant to Section 4(j) hereof, the District will notify the Underwriter, and if, in the reasonable opinion of the Underwriter, such event requires the preparation and publication of a supplement or amendment to the Official Statement, the District hereby agrees to cooperate with the Underwriter in the preparation of an amendment or supplement to the Official Statement in a form and manner approved by the Underwriter; provided, however, that all expenses thereby incurred will be paid by the District; and provided, further, that the Underwriter will obtain the District's prior approval before any such expense is incurred.

(m) The District undertakes that from the Closing Date until the end of the Underwriting Period, it will (i) apprise the Underwriter of all material developments, if any, occurring with respect to the District, and (ii) if requested by the Underwriter, prepare a supplement to the Official Statement in respect of any such material event; provided, however, that the out-of-pocket costs and expenses, including legal fees and expenses, associated with providing any such supplement, will be borne by the Underwriter.

For purposes of this Purchase Contract, the end of the Underwriting Period shall mean the Closing Date, unless the Underwriter shall notify the District on or prior to the Closing Date to the contrary, and in any event not later than 25 days after the Closing Date.

6. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the County and the District that, as of the date hereof and as of the Closing Date:

(a) The Underwriter is duly authorized to execute this Purchase Contract and to take any action under the Purchase Contract required to be taken by it.

(b) The Underwriter is in compliance with MSRB Rule G-37 with respect to the County and the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District.

(c) The Underwriter has, and has had, no financial advisory relationship with the District or the County with respect to the Bonds, and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

(d) The Underwriter has reasonably determined that the District's undertaking pursuant to Sections 5(f) and 7(b)(9) hereof to provide continuing disclosure with respect to the Bonds is sufficient to effect compliance with Rule 15c2-12.

7. Conditions to Closing. (a) The representations and warranties of the County and the District contained herein shall be true and correct in all material respects at and as of the Closing Date, as if made at and as of the Closing Date, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true and correct in all material respects on the Closing Date; and the County and the District shall be in compliance with each of the agreements made by them in this Purchase Contract.

(b) At or before Closing, and contemporaneously with the acceptance of delivery of the Bonds, the District will provide to the Underwriter:

(1) a certificate, signed by an official of the District, confirming to the Underwriter that the Preliminary Official Statement as of its date did not, and the Official Statement as of its date and at the time of Closing did not and does not, to the best of the knowledge of said official, contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading, and that there has been no material adverse change in the financial condition or affairs of the District which would make it unreasonable for the purchaser of the Bonds to rely upon the Official Statement in connection with the resale of the Bonds, excluding in each case any information contained in the Official Statement relating to DTC or its book-entry only system, information contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures (as they relate to funds of the District held by the County Treasurer), information provided by the Underwriter concerning the reoffering of the Bonds, and the information relating to the Insurer or the municipal bond insurance policy to be issued thereby insuring payment on the Bonds.

(2) a certificate, signed by an official of the County, confirming to the Underwriter that the Preliminary Official Statement as of its date did not, and the Official Statement as of its date and at the time of Closing did not and does not, to the best of the knowledge of said official, solely with respect to the information contained therein describing the County's investment policy, current portfolio holdings, and valuation procedures (as they relate to funds of the District held by the County Treasurer), contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading.

(3) a certificate or certificates, signed by appropriate officials of the District, confirming to the Underwriter that, as of the date of this Purchase Contract and at the time of Closing, to the best of the knowledge of said official or officials, there is no litigation pending concerning the validity of the Bonds, the corporate existence of the District or the County, or the entitlement of the officers of the County who have signed the Bonds, or the entitlement of the officers of the District who have signed the various certificates and agreements of the District relating to the issuance and sale of Bonds, to their respective offices.
